

ISTIKAN STUDIO

Games brewed in Erbil,
served to the world.

WHO WE ARE

Seven people.
Big ideas.

A game studio in Erbil, Kurdistan Region of Iraq, and the games department of Törnet. Named after the *istikan*, the little tea glass found in every home and bazaar here.

STUDIO

LET'S TALK

Work *with us.*

Publishers

Take Tikka & Kebab and our Steam games to China and beyond. We keep the IP; the deal is open.

Investors

Funded by Tornet, not by runway. We want partners to help us grow faster.

Brands & telcos

Games built to order for mobile, Steam, web and carrier channels.

Want to play *Tikka & Kebab* early? Ask us for the demo.

ISTIKAN STUDIO

Have a glass of chai with us.
